Subject: Re: [CSC 470] Project Requirements Submission Question

Connor,

The reason is I didn't get a submission from anyone in the group, so the 0 is pretty straightforward, unfortunately.

Thanks,

Jason Jenkins

Subject: [CSC 470] Project Requirements Submission Question

Hello, I couldn't help but notice that the Project Requirements submission was rated as a zero. Seeing as I didn't see any comments in the feedback section for Dropbox, I was curious about the reasoning behind this.

Thanks,
Connor Knapp
